

Declaration for Books

We, the undersigned, hereby declare that we have thoroughly reviewed all the books prescribed by the school for the academic session 2025-2026 across all classes and subjects.

We affirm that:

1. The school has prescribed NCERT textbooks in higher classes and subjects where such textbooks have been published by NCERT.
2. In cases where books by private publishers have been prescribed, extreme care has been taken to ensure that the contents of these books do not contain any objectionable material that could hurt the feelings of any class, community, gender, or religious group in society.
3. The complete list of prescribed books has been uploaded on the school's official website.
4. We take full responsibility for the selection of the books and their content as prescribed by the school.

We understand that if any book is found to contain objectionable content, the responsibility shall rest with the school.
